

Oberlech, Austria Ski/Bridge Holiday 2019

4* Superior Hotel Sonnenburg

Saturday 5th - 12th January 2019

We are delighted to be returning to the 4* Superior Hotel Sonnenburg in Oberlech, Austria, following the great success of previous holidays. The Sonnenburg is a ski-in / ski-out hotel, situated directly on the slopes and also offers excellent cuisine, an indoor pool and full wellness/spa facilities.

Jack Stocken will be hosting an informative and entertaining Bridge programme and, as ever, the standard is friendly Intermediate and no partner necessary. Jack and Annabel Stocken will be running all other aspects of the holiday. Please book early as we were fully booked by May last time and there has been a lot of initial interest in this holiday destination.

We have a wonderful team of ski leaders headed by Suzi McArthur and Paul Ubysz. They are current or ex Ski Club of Great Britain reps and bring all their charm and expertise to the slopes. There is now a Cableway that connects Oberlech to St Anton and other resorts so no need to take buses!

The villages of Lech - Oberlech, St Anton, Stubenbach, Zug and Zürs are connected by the skiing region. Guests do not even need to take off their skis to reach the Hotel Sonnenburg entrance. Winter sports enthusiasts will find a broad range of activities, while those looking for more relaxing recreation can enjoy Arlberg's scenic landscape during leisurely walks or a horse drawn sleigh ride.

Resort: Oberlech is a charming exclusive village, in the Arlberg area, where the rich and famous also enjoy skiing. It has been said that for location, Oberlech is very hard to beat and boasts a fantastic snow record and is made up of a group of hotels right next to the slopes, approximately 200 metres above Lech.

Oberlech enjoys peace and tranquility due to its car-free zone status. The village has a unique underground walkway system connecting some of the hotels and uses electric carts to move luggage and other supplies up and down the mountain. There is a cable car that runs late into the night so that visitors can also enjoy visiting Lech.

Neighbouring Lech and the small and popular resort of Zürs which stands at more than 5,600 feet, offer excellent skiing, along with Stuben and the larger, lively St Anton.

Enjoy the luxury of staying in a ski in/ski out hotel and relax, with a good glass of wine, on the sunny terraces whilst taking in the tranquility and peace amidst the beautiful snow-covered scenery.

Skiing: Oberlech is enviably situated at a height of 1750 m above sea level, which means that Oberlech can guarantee snow from November until early May. Staying at Hotel Sonnenburg enables you to walk through the front door directly onto the piste. The panorama of approximately 440 kilometres of ski slopes surrounds the hotel, providing innumerable descents of all difficulty levels and unlimited ski fun on the doorstep.

State-of-the-art ski lifts (and heated lift seats!) ensure a rapid ascent to the summits from where perfectly prepared ski slopes of different levels of difficulty take you down to the valley. Additional unprepared areas and tour routes are just waiting to be enjoyed. You will certainly find what you are looking for in Oberlech, Lech, Zürs, St Anton, Rüfikopf, Madloch, Kriegerhorn and Mohnenfluh.

Lech is one of eleven resorts in five alpine countries that jointly promote themselves as "Best of the Alps".

There is also plenty to do for non-skiers: cross country skiing and snowshoeing to take in the beautiful scenery, horse sleighing, tobogganing and ice-skating to name but a few. Please note that non-skiers now get a £75 discount off the package price. There is no discount for non-bridge players!

Ski Leaders: We are delighted to have the services of our team of ski leaders to cater for different ski standards and larger numbers, as this service has been so popular in recent years. Led by Suzi McArthur and Paul Ubysz, the team have kindly agreed to ski guide for the week on a voluntary basis. There will be a number of small ski groups (eight or nine), catering for different standards.

To join our ski leaders, skiers need to be able to ski red runs competently; our ski leaders reserve the right to swap people between groups and if necessary, tell a skier that they must make their own arrangements with ski school at their own expense.

Bridge: The Bridge will be played in the Congress Centre in the Landhaus from 5.30pm onwards. The Bridge programme will follow its regular format, namely a pre-dinner tuition session with Andrew Robson's set hands, 5.30pm – 7pm (no lesson on Wednesday), and after dinner, Gentle Duplicate, 9pm - 11pm, aimed at the friendly Intermediate player. Supervised Rubber Bridge will be offered after dinner as an alternative to Duplicate (minimum numbers apply). The Bridge is not suitable for players that are used to a serious 24 board duplicate. For further information please contact Jack.

Hotel: The Hotel Sonnenburg www.sonnenburg.at is a first class hotel in a prime position directly on the pistes in Oberlech. The hotel is run by the Hoch family who provide guests with impeccable hospitality and pride themselves on combining modern standards with art and Alpine tradition. In 2016 the hotel had a £5 million pound refurbishment.

Hotel Sonnenburg is divided into the Stammhaus (main hotel) and the Landhaus (where the Bridge room is located). Both are connected by a mirrored tunnel. The tunnel is 150 meters long and takes less than 5 minutes to get between the main hotel and the Landhaus. This enables you to reach all parts of the hotel, such as the restaurant, the bar, the conference hall, the pool, sauna and spa area directly and in comfort from both houses.

The bedrooms, situated in both the Stammhaus and Landhaus, are very comfortable and a blend of tradition and modern comfort. All rooms offer a view of the snow-covered mountains (please see overleaf for more details).

There is a "Wellness" facilities include saunas, steam bath, Laconium and hay bath, not to mention a fog cabin! There is a fantastic swimming pool, beauty centre and massage facilities. The Beauty Centre offers a large variety of treatments using excellent products. It is recommended to book treatments early.

Head chef Wilfried Andermann has led the international kitchen team for over 30 years. A total of 15 cooks, two assistants and one breakfast chef are busy each day catering for the culinary needs of the Sonnenburg guests. Great importance is put on quality at the four star superior Hotel Sonnenburg and all ingredients are freshly prepared in the main restaurant, terrace and Schüna. There is an extensive wine list to complement the excellent cuisine.

The bar is very much a focal point after skiing and there is live piano music on a Monday evening. There will be a Welcome Drink for our group on the first evening in the lounge above the bar, known as the "Obere Halle".

Breakfast is eaten in either/or the Stammhaus or the Landhaus, between 0700 and 1000, whereby the same breakfast selection is offered.

There will be afternoon tea served in the lounge (next to the bar) exclusively for our group. This will include tea, coffee and cake from 4pm daily.

Oberlech is a 'car free zone' and therefore the coach will drop our group at the Cable Car station, for which passes will have been pre-booked. The luggage will be taken up separately and delivered to the bedrooms, so please ensure that your cases are clearly named.

Bedrooms: All rooms offer a view of the snow-covered mountains. All rooms are non-smoking, charmingly decorated and comfortably equipped offering satellite TV, ISDN phones, free WIFI over The Sonnenburg guest internet, safe, hairdryer and bathrobes. Smokers are able to go to the hotel's specific smoking lounge.

Important: The hotel has allocated our group a number of rooms in both the Stammhaus (main hotel) and the Landhaus (where the Bridge room is). As always, all rooms will be allocated on a "First come, first served basis" and rooming allocations are ultimately made at the hotel's discretion.

Double: These rooms have Austrian twin beds, known as doubles (this means two mattresses in one wooden frame, so there are no twin beds available in the hotel). These rooms are en-suite with shower over bath and toilet.

Comfort-Double: These rooms are larger than the double rooms as there is also a small, cosy seating area. They are en-suite with shower over bath and toilet. A few of the Comfort-Double rooms have a balcony facing south and a view of the majestic Omeshorn and these are subject to availability.

Junior Suite: This luxurious room is much larger and has a separate living area and bedroom. It is also en-suite with bath, separate shower and toilet. Most suites are equipped with a balcony facing south, subject to availability.
