## **4\* Superior Hotel Alex**

**Saturday 11<sup>th</sup> – 18<sup>th</sup> January 2020**

We are delighted to host the much-anticipated return to the superb 4\* Superior Hotel Alex, Zermatt, Switzerland. The Alex is renowned for its excellent cuisine and service, indoor swimming pool and spa facilities - there is even an indoor tennis court!

Jack Stocken will be hosting an informative and entertaining Bridge programme and as ever, the standard is friendly Intermediate and no partner necessary. Jack and Annabel Stocken will be running all other aspects of the holiday. Please book early as we were fully booked by May last time and there has been a lot of early interest in this holiday destination.

We have a wonderful team of ski leaders headed by Suzi McArthur and Paul Ubysz. They are all current or ex Ski Club of Great Britain reps and bring all their charm and expertise to the slopes.

Zermatt is a skiers' paradise and one of the top ski resorts in the world, with its combination of excellent advanced and intermediate slopes, reliable snow, magnificent scenery including the iconic, pyramid-shaped Matterhorn peak, Alpine charm and mountain restaurants with superb food and stunning views. Zermatt have recently opened the world's highest 3S cableway to reach the Klein Matterhorn. Non-skiers have a wide range of walks, boutique shops and activities. The website is [www.Zermatt.ch](http://www.Zermatt.ch). It is also easy to ski over to Cervinia, in Italy, for fantastic groomed pistes and great Italian food.

**Resort:** Zermatt is a picturesque car-free mountain village at the foot of the Matterhorn. The British and Zermatt go back a long way. Indeed Alex Perren, a former mountain guide himself and the owner of the hotel, is the fourth generation of the guides of the Englishman Edward Whymper, who did the first ascent of the Matterhorn.

Zermatt started life as a traditional mountain village, developed as a mountaineering centre in the 19<sup>th</sup> century and then became a winter resort too. The village lies on either side of a river along a narrow valley, with mountains rising steeply on each side. It is a mixture of traditional chalets and more modern buildings, mainly in traditional style. One arrives by mountain railway from Täsch. The main street, Bahnhofstrasse, runs past the station (the Alex is two minutes from the station just off the main street), and is lined with luxurious hotels, boutique shops, restaurants and a good après ski scene. It is the focal point of village life. The cog railway to the Gornergrat area leaves from opposite the main station, and the underground funicular to the Sunnegga area is just a few minutes' walk away, or a short journey on the free shuttle bus. The gondola to the Klein Matterhorn (the link to Cervinia), is a free shuttle bus ride away.

**Activities:** Include, amongst others, winter hiking and snowshoe walking, curling, langlaufing, tobogganing, skating and helicopter flights.

**Skiing:** There are slopes to suit all standards except absolute beginners. For intermediates and experts Zermatt has few rivals worldwide. There are marvellously groomed cruising trails, some of the best moguls around, long, beautiful scenic runs out of view of the lift system, exciting heli-trips and off-piste possibilities.

Zermatt consists of three separate areas, linked if snow conditions are good. Zermatt has also recently opened the world's highest 3S cableway to reach the Klein Matterhorn.

Sunnegga – Blauherd – Rothorn: This area is reached by the underground funicular which is a short walk or shuttle bus journey from the Alex. It consists of largely intermediate runs and beautiful scenery. From here you can make your way to the

Gornergrat – Stockhorn area, accessed by train two minutes from the hotel. There are numerous cable cars and pistes miles from anywhere! From here you can get below Furi to link up with the third and highest area,

Klein Matterhorn – Trockener Steg – Schwarzsee. This area provides skiing up to 3820m, and access to Cervinia. It is the largest and best-linked area.

There is also plenty to do for non-skiers: cross country skiing and snowshoeing to take in the beautiful scenery, curling, horse-drawn carriage rides, tobogganing and ice-skating to name but a few. Please note that non-skiers now get a £75 discount off the package price. There is no discount for non-bridge players!

**Ski Leaders:** We are delighted to have the services of our team of ski leaders to cater for different ski standards and larger numbers, as this service has been so popular in recent years. Led by Suzi McArthur and Paul Ubysz, the team have kindly agreed to ski guide for the week on a voluntary basis. There will be a number of small groups (eight or nine), catering for different standards.

To join these leaders, skiers need to be able to ski red runs competently; our ski leaders reserve the right to swap people between groups and if necessary, tell a skier that they must make their own arrangements with ski school at their own expense.

**Bridge:** The Bridge programme will follow its regular format, namely a pre-dinner tuition session with Andrew Robson set hands, 5.30pm – 7.00pm (no lesson on Wednesday), and after dinner, Gentle Duplicate, 9pm – 11pm, aimed at the friendly Intermediate player. Supervised Rubber Bridge will be offered after dinner as an alternative to Duplicate (minimum numbers apply). The Bridge is not suitable for players that are used to a serious 24 board duplicate. For further information please contact Jack.

**Hotel:** The Hotel Alex is situated in the middle of town, just off the High Street and two minutes walk from the railway station. It is close to the hire shop for which there will be a discount on hired ski equipment, and the bus stop for the Klein Matterhorn and Sunnegga areas.

The Alex has been built by Alex and Gisela Perren, using traditional and reclaimed materials to create one of the most famous hotels in the Alps. Alex and Gisela have been the “avant garde” hoteliers of Zermatt. The second generation, Alex Perren Jnr., Christina and Rene Hurlimann-Perren, have been running the hotel since the Winter 2005/06. Please see [www.hotelalexzermatt.com](http://www.hotelalexzermatt.com).

All rooms are artistically and individually designed and have both jacuzzi bath, shower and wc, direct dial telephone and voicemail, cable TV/radio, modem access and safety box.

Facilities include grotto swimming pool (25x20m), whirlpool, Bio- and Finnish sauna, steam-bath, magic shower, indoor tennis courts, squash court, badminton and modern fitness area. Body massages and solarium (not included). Booking in advance for treatments is recommended.

Afternoon tea (not included), or an aperitif before dinner, can be enjoyed in the lounge bar by an open fireplace. The lounge bar also has a variety of comfortable quiet seating areas, one of which is shown below.

The food: a breakfast buffet consisting of healthy mountain-grown products, a big choice of various breads, Swiss cheeses, homemade jam, cereals and a sparkling glass of "Prosecco". For late risers, espresso and croissants are available in the lobby until late morning. Dinner is eaten in the traditional “Alex Grill” with a gourmet menu, weekly Gala dinner, starter and dessert buffets and other culinary surprises...
